RE: C00289140
Year End 11-28-2006/11-31-2006

Dear Mr. Whyrick:

Pursuant to our phone conversation this date, I am corresponding to confirm that Mark Foley was indeed the nominee for the District FL16 House seat, following the Florida Primary, until his resignation on September 29, 2006.

He was running an aggressive campaign until September 29, 2006. He did not raise any funds following the date of his resignation and indeed, the funds attributed to the General election were spent on that election.

I have sent an amendment to my September 30, 2006 report amending some expenditures and attributing them to the General election properly. Any Media purchases must be made prior to the airing of that commercial; therefore, any media buys made after September 5, 2006 were for the General Election. Taking only those media amounts into account, expenditures were made during September in the amount of \$691,564.27 and even with the subsequent Offset to Operating of \$282,995.18; the expenses exceed the amount of contributions attributed to the General Election and listed on your report. These figures do not include all of the expenses incurred during the month of September for the General Election. All expenses are included on our report.

Our November 27th report shows Net Contributions of \$1,471,538.65 and Net Expenditures of \$1,906,063.90 for the 2006 Election Cycle.

I thank you for your assistance and trust that this letter answers your questions adequately.

Sincerely,

Donna Foley Winterson
